

Meeting Notice

Money Follows the Person (MFP) Sustainability Planning Meeting

Wednesday, Oct. 29, 2014

1 to 4 p.m.

N.D. Job Service Office - Dakota Room

1601 E. Century Ave., Bismarck

Agenda

- **Mandatory Plan Activities/Discussion**

- Continue to improve and sustain MFP transition activities including out-year projections for transitions through December 31, 2017 and services through December 31, 2018
- Indicate if the state is planning to continue to provide transition services and identify and budget for the cost to transition from the grantee's current MFP program into a new or existing 1915(c) or other Medicaid authority for the participants interested in transitioning to the community after the last day of service funding;
- Account for how the remainder of all rebalancing funds will be utilized prior to the end of the grant period, including new projects and updates on existing projects;
- Engage external stakeholders in the development of the final sustainability planning process;
- Include funds necessary to continue the submission of all MFP grant and programmatic reporting requirements as listed in the MFP Timeline.

- **Optional Plan Activities/Discussion**

- Expand accessible home and community-based services
- Develop and maintain new program activities and policies
- Advance and preserve systems that support transitions among settings and services;
- Design and implement or expand a comprehensive Single Entry/No Wrong Door Systems for assessing community-based Long-Term Supports and Services (LTSS);
- Create and expand a person-centered planning and service delivery;
- Enhance and advance employment supports for people with disabilities;
- Expand the supply of Direct Service Workforce and adequate supply of caregivers;
- Foster the continued development of an adequate supply of housing to support community-based living options;
- Improve or support quality assurance quality improvement system
